Teaching Theme

We have a guest speaker coming with us to Padre Island! His name is Nick Parsons, and he heads up a missionary church planting organization called "Mustard Seed Global Fellowship." He'll be teaching all the main sessions each day.

The theme is going to be the Gospel message, and we're calling it "An Epic Story." Each session will deal with another piece of the Gospel as a whole: An Epic Beginning (creation and purpose), An Epic Fail (sin and pain), An Epic Hero (Jesus and redemption), An Epic Mission (re-creation and purpose).

Pray for us!

We really depend on your prayers! Please take some time each day to pray for us while we're gone.

There are two main things we want to happen on this trip:

1. Godly community to be built through sanctified fun.
2. A deeper understanding of the gospel, and how it changes our daily lives.

Pray that:

- Van rides would be filled with good conversations.
- Kids' hearts and minds would be ready to receive the gospel, even if they think they've heard it all before.
- The leaders would have an overflowing amount of energy, passion, and love to pour out on the kids.
- The kids would get along really well, building and solidifying friendships that will stand the test of time.
- Godly community would be built.
- We would all gain deep understanding of the gospel.
- God would do something really unexpected and crazy with us, to shape us as disciples.
- We would have the courage to respond to what God does.
- At least one kid would be moved to respond to the gospel with their life.
- We would have tons and tons of super crazy amazing awesome fun!

Follow our every move!

We'll try to post regular updates (pictures, maybe even videos!) of our adventures on the brand-spankin'-new youth website:
